## PETITIONING THE COURT

### To modify the conditions of supervision as follows:

4. As directed by the probation officer, the defendant shall participate in an outpatient correctional treatment program to obtain assistance for drug or alcohol abuse.

**Justification:** While meeting with Mr. Tabarez, he expressed great stress and anxiety over family matters and admitted drinking alcohol to counter these feelings. The undersigned and the releasee discussed drug/alcohol counseling, to which Mr. Tabarez requested a referral be made. The releasee has signed the required waiver to modify his conditions of supervised release and is willing to voluntarily seek counseling services at this time. The releasee has had no documented violations of supervised release since his release from custody and is presently employed full time.

Should the Court concur, the undersigned has contacted the treatment provider and they indicated services will begin immediately.

Respectfully submitted,
